

PROFILE

Architecture and Building Technology student at BCIT with 14+ years experience leading design campaigns and securing multi-million-dollar recreation and hospitality projects for architectural consultancy firms in Singapore. Proven ability to work within teams and communicate effectively to meet strict project deadlines. I am passionate about creating quality products that are unique and true to its function and form.

EXPERIENCE

• SENIOR ARCHITECTURAL ASSOCIATE | RSP ARCHITECTS, ENGINEERS AND PLANNERS

Singapore | Aug 2019 – Aug 2021

Managed the architectural and compliance aspects for a \$500 million public park project. Resolved key issues using advanced building information modelling techniques in Revit and 3d Max as well as knowledge in construction detailing. This resulted in positive performance reviews from the client.

• ARCHITECTURAL ASSOCIATE | SDI ARCHITECTS

Singapore | Mar 2016 – Jun 2019

Led a successful design tender campaign to secure a 5.2-hectare sports and recreation complex. During the competition, I managed a team of associates to come up with a compelling design proposal that managed to convince the client to select our team for the project.

• ARCHITECTURAL DESIGNER | ARCHURBAN ARCHITECTS AND PLANNERS

Singapore | Mar 2007 – Mar 2016

Assisted principal architect in all aspects of design and management role undertaken by the consultancy firm. Led a successful tender campaign to secure a \$100 million-dollar hotel project in Orchard Rd that resulted in good revenue and brand recognition for the firm.

• DRAFTING TEAM LEADER | MENO GAIA RENOVATION

Philippines and Japan | Dec 2005 – Mar 2007

Led a team of architectural technicians in the Philippines that prepared detailed technical drawings and renders using Photoshop and AutoCAD for Meno Gaia Renovation company in Kobe Japan.
